

St Maximilian can help change lives through donations to CRS RICE BOWL.

St Maximilian Kolbe is joining other parishes across the diocese and nation by participating in this campaign to alleviate hunger. One of the outstanding characteristics about our parish is the generosity of our community. We helped our neighbors during Hurricane Harvey and we help our neighbors with a neighborhood food bank and many other collections with gratitude and in recognition of our blessings.

This is an opportunity to help those who struggle to meet basic needs. Our community can connect to our neighbors through this online page. Bringing together our Lenten alms as a community this Lent can help end global hunger and malnutrition. Our community giving helps support families in more than 100 countries get access to enough nutritious food not only to survive, but to thrive. Whether in-person, online, or in spirit—our community can come together to pray, fast, and give through CRS Rice Bowl.
